

The Gift: Awakening

Every Gift has its Price

Awakening is the first book in The Gift Legacy series.

When Emelynn Taylor accepts a mysterious gift from a stranger, her life alters irrevocably. This wasn't an ordinary gift. It didn't come wrapped in pretty paper and tied with a bow, nor can it ever be returned.

Haunted by terrifying abilities she can't control, Emelynn returns to her abandoned home on the British Columbia coast where she vows to take command of her unruly gift. A near-fatal miscalculation drops her into the hands of a man who takes her breath away and an underground society who share the gift; but as they steer her into unknown territory, secrets surface and conspiracies are revealed. Will Emelynn master her dangerous gift and escape the unfolding web of perils before they take her life?

Praise for The Gift: Awakening

"Awakening is a deeply moving book and it will stay with you forever. It's gentle and lyric, and it's dark and hard. It's an intelligent novel, generously sprinkled with beautiful, subtle humor, and written by a natural storyteller."

—J.F. Kaufmann, Author of *The Langaer Chronicles*

"A thoroughly enjoyable read. J.P. McLean captures your attention from the get-go, and you're hooked before you flip the first page. Before too long, she skillfully manages to have you question what you once thought impossible."

—Island Gals Magazine
