

The Gift: Betrayal

Vengeance for the Forsaken

Betrayal is *Awakening* redux in Jackson Delaney's voice.

When Jackson Delaney learns that his wife betrayed him for his half-brother, nothing less than revenge will quench the fire in his soul. But first he has to find them.

Jackson dives headlong into a search that will test his character and break the laws of two worlds. *Betrayal* careens on a high-speed chase, from the gentle character of New Orleans to the rugged beauty of the North American west coast. And when Jackson meets Emelynn Taylor, a mysterious young woman with no knowledge of her arcane and powerful gift, he recklessly lures her into his vengeful mission.

But nothing is what it seems, and from a single deception grows a web of strangling lies.
